## "A MEDIEVAL VIRGINIA WOLFE"

*"History was never quite like this! Take the pomp and glory and earthy realities of a time that was a strange mixture of civilization and barbarism. Add a weirdly assorted royal family of fiercely ambitious, amoral and amorous men and women ready to break every law but that of self-preservation."*

*---from the screenplay "The Lion in Winter"*

Called "a medieval 'Who's Afraid of Virginia Wolfe'," "The Lion in Winter" will open in the Gallaudet College Auditorium this Friday evening at 8 p.m. Set in France during the reign of Henry II, Goldman's "The Lion in Winter" is a fierce and intense game of survival.

Performances will also be given November 16, 22 and 23. Tickets are \$3 for general admission and \$2 for students. Box office hours are:

November 13-16:	2-8 p.m.
November 18-21:	2-5 p.m.
November 22-23:	2-8 p.m.

Faculty and staff with season passes are reminded to present their pass at the box office to obtain tickets for the desired performance.

#### "A HALLOWEEN PRANK"

Hey, you children of the night  
junior vigilantes  
leaf toters par excellence!

What a party!  
My only regret  
that I slept through it  
and should have taken pictures  
of the devastation.

What a shock to me  
and to the news boy  
who had to deliver  
in leaves up to his pockets.

Anymore gripes  
for the love of Pete  
let's negotiate.

My aching back.  
All you left me  
(other than leaves)  
was one lousy beer!

Gad, how many did it take?  
Some returned to the scene early  
to view old Mr. B at labor.  
2 hours 27 minutes it took  
to clear things  
a record of sorts  
2 loads by the county dumpster.

Bless you all.  
Hope you grow up (soon)

and have families with kids  
just like you  
in a big house  
With giant trees  
and lots and lots of  
L E A V E S

--Thank you Mr. B., whoever you are!

#### PUBLIC SERVICE PROGRAMS

Public Service Programs was established in 1971 to extend the College's resources nationally and internationally.

Workshops and conferences have been sponsored to orient professionals to deafness, to collect information on specific problems in the area of deafness and to teach leadership and management skills to deaf people. Roz Norman has primary responsibility for coordinating these meetings.

Publications on various aspects of deafness have been developed and widely disseminated by Loraine DiPietro.

Public Services is also responsible for the local TTY news service. In addition, Anne Deneen has developed a school news program. Ten schools for the deaf have weekly appointments to receive a 15-minute "newsletter" via TTY.

This year Public Service Programs has taken a special interest in deaf-blindness. Art Roehrig has been hired to collect information on the needs of deaf-blind people and the resources available to meet these needs. A model screening program for Usher's Syndrome at Gallaudet College will be initiated.

Al Pimentel, director, is also project director for a Title I grant through which community service centers have been established in three cities. Nancy Torbett is clerk-typist for this project.

Pat Hunter is administrative secretary for the program, which is located on the second floor of College Hall. Visitors are welcome.

ON THE GREEN is published each week by the Office of Alumni and Public Relations. We want your news!
